WHO WE ARE

OUR STORY

M&L Distributors (Pty) Ltd was established in 1952 and is a major supplier of branded and retailer own label drinks and foods to the South African market.

Today it is a leading supplier of canned fish, meat, vegetables as well as ambient pasta and sauces, culinary oils and beverages.

M&L has unique international capabilities. We deal with over 80 different global suppliers on a daily basis many of which are multi-generational relationships. From our head office in Cape Town, South Africa we supply customers in more than 8 countries with branded and own label foods, both direct and via our third party warehousing facilities. We are the conduit between the largest branded and own label factories and the retailers and importers / distributors that buy and sell these products. Our fully integrated procurement systems allows us to closely monitor market demand and match it with supplies from our various producing factories.

Behind this multitude of products from global pantry staples to innovative speciality lines are countless people and partnerships — M&L's clients, employees, producers, and suppliers — that have been cultivated over our 70+ year history of exceptional service and partnership in the global food industry.

CONTINUING A LEGACY

Though our business model has evolved to meet the needs of today's customers, our mission and values remain the same.
